Whole Class - all class members can view

Hi class:

For this week's assignment, review the speeches from the following videos:

- 1)  **Black Nationalism**
- 2)  **Africa Power Shift**
- 3)  **Malcolm X after NOI**

After watching all three videos, create three clips from any of the three videos that exhibit Malcolm X's views about racial separatism. Next, create three clips from any of the three videos about Malcolm X's views about pan-Africanism.

Tag your clips with the words "separatism" or "afro-america" as applicable.
